## Welcome to Cross Church!

This is a special day in the life of our church as we celebrate what God is doing in the lives of our students through "Student Day." God has brought us an awesome Student Pastor in Aaron Crawford. After just coming on our staff a few months ago, Aaron is doing a fantastic job helping our church reach the students in our area schools. Aaron will be marrying his fiance, Kelsey Hightower, in March. Pray for them as they partner together to continue reaching students for Jesus.

If you have a student or are a student in 6th-12th grade, we have some great opportunities for you to get involved. On Sunday mornings at 10 a.m., all students meet in Small Group Room A and B for age-graded Small Groups. This is a

great way to meet other students in our church and be disciplined in your faith. On Wednesday nights at 7 p.m., all students meet together in the Worship Center for "Merge." This is a great opportunity for our students to bring their friends and enjoy dynamic worship and a powerful message from Aaron.

We are committed to making disciples of students here at Cross Church. We want to come alongside of you, parents, as you do the same with your students at home. If you ever have any questions on how to get involved in our Student Ministry, feel free to contact Aaron at aaronc@crosschurch.com. Thanks so much for being here today. We pray that God will speak to your heart!
