## Christmas and Beyond!

### Unique and Not Identical Services

Our Christmas Eve services are unique and not identical experiences to the services we will offer on Christmas Day. **On Christmas Eve, we will have our Candlelight Christmas Eve services.** This will be a wonderful time of singing Christmas carols, highlighting a time for our children, hearing beautiful music, lighting candles, and sharing a creative message unlike anything we have done before. **On Christmas Day, we will have our Christmas Celebration and Communion services.** Yes, we will celebrate Christmas! Our celebration will be filled with wonderful singing of Christmas carols accompanied by beautiful music, a biblical word, offering a time for communion that families can experience together if they desire, and much more. Christmas Eve services will last an estimated forty-five minutes and Christmas Day services will last an estimated fifty-five minutes and absolutely no longer than an hour. In all services on Christmas Eve and Christmas Day, we will receive an offering for supporting the ministry of our church and our work globally, as we do weekly.

**I want to urge you to finish well in 2011.** How can you do that? Finish well:

- **Spiritually**, by making sure you and Jesus are in fellowship with one another.
- **Relationally**, by making sure you and others are in fellowship with one another.
- **Professionally**, by making sure you work when you are at work with all diligence.
- **Financially**, by making sure you have given to Jesus' church at least one-tenth of all God has given you.
- **Physically**, by making sure you take good care of yourself. ■

## Christmas Gifts

I praise God for the gift of this very day and the gift of His Son, Jesus Christ, that we celebrate during this season. I also thank God for a very generous Cross Church – and thank you, Church, for your giving heart. Church Family, I need you to know that in addition to your routine giving, **year-end gifts are an integral part** of our Ministry Budget support and these year-end gifts help provide for ministry opportunities that might not otherwise be available. Year-end gifts help our church fulfill our mission to spread the Gospel of Jesus Christ to the people of Northwest Arkansas, America, and the world. **I would like to challenge you** to prayerfully consider giving a special year-end gift.

The Christmas season is a wonderful time of the year to give to the Lord. We have each been blessed and God's will for each of us is to put Him first in our lives. We do not give to God because He needs it, but giving is the tangible way God has given us to express to Him, "Jesus, You Are Number One."

At this time of the year, many of our people ask themselves: **"Have I given to God at least one-tenth of all my income for this year?"** As you join us in asking this, I hope you will answer it honestly before the Lord. In these final weeks of 2011, evaluate and join hundreds of our families in this blessed journey.

I praise God for His wonderful blessings and your generous giving. Cross Church, I believe in you and thank you for your continued generosity. Should you need any assistance with donating stock or other assets, please give Liz Tumlinson or me a call in the Business Office at 479-751-4523. ■
